

Proclamation Payroll Week

Whereas the American Payroll Association and its 23,000 members have launched a nationwide public awareness campaign that pays tribute to the more than 156 million people who work in the United States and the payroll professionals who support the American system by paying wages, reporting worker earnings and withholding federal employment taxes; and

Whereas payroll professionals in Manassas Park play a key role in maintaining the economic health of Manassas Park, carrying out such diverse tasks as paying into the unemployment insurance system, providing information for child support enforcement, and carrying out tax withholding, reporting and depositing; and

Whereas payroll departments collectively spend more than \$15 billion annually complying with myriad federal and state wage and tax laws; and

Whereas payroll professionals play an increasingly important role ensuring the economic security of American families by helping to identify noncustodial parents and making sure they comply with their child support mandates; and

Whereas payroll professionals have become increasingly proactive in educating both the business community and the public at large about the payroll tax withholding systems; and

Whereas payroll professionals meet regularly with federal and state tax officials to discuss both improving compliance with government procedures and how compliance can be achieved at less cost to both government and businesses; and

Whereas the week in which Labor Day falls has been proclaimed National Payroll Week;

NOW THEREFORE I, Frank Jones, Mayor of the City of Manassas Park give additional support to the efforts of the people who work in Manassas Park and of the payroll profession by proclaiming the first full week of September 2011 as Payroll Week for Manassas Park.

Approved July 19, 2011
